

STONEWOODS

Period Style

FIREPLACES

A range of traditional English styles inspired by historic fireplaces from renowned periods in history, from Tudor through to Edwardian.

Designed with the flexibility to add authentic splendour to an older property or graceful period charm to a more modern setting.

French Style

FIREPLACES

Fireplaces that hint at the rural charm of a Provence country farmhouse or the stately splendour of a Loire chateau. Designs reflecting a time when big, heavy stones supported by slender uprights was definitely the way to impress.
